We're releasing a patch for each of the five major regions today at 10AM PST, so be sure to stay up to date to make sure you're getting the best time of the day for your local region. A new week of matches means a new Heroes Brawl—this time featuring Hanzo and Torbjörn! Check out the full patch notes below. Heroes Brawl Every week, your favorite Heroes Brawl competitor takes home a share of the \$50,000 prize pool! In addition to the top prize, the five weekly winners will also earn points for their region towards the \$1,000,000 grand prize at the end of the season. Last week's competition was so epic, that it made our Twitter account explode. Make sure to tune in to 2d92ce491b
