Lunchbox: Directed by Riteish Batra. Irrfan Khan, Nimrat Kaur, Nawazuddin Siddiqui, Lillete Dubey. Error delivery in Mumbai is notorious. But for me, this is not a mistake, but just another brilliant work by Irrfan Khan, which immersed me even more in his amazing world, in which I had lived with pleasure before. This story is about love, but love that knows no boundaries, it is as boundless as the East itself. Against its background, many other equally important, but not so remarkable events are developing, but against the background of love, they do not seem so important and significant.
