Don't forget to rate the set and leave a comment on the comment section below, which would be much appreciated. Hello, everyone! Hope you are having a good day! I am thrilled to present to you the latest release of #SmartFonts. This time I have collected the weather icons from the exceptionally talented team of @Unsplash. Use them in your app and don't forget to drop me a line if you have a chance to contribute. This set is inspired by @brilliantweather and @elevateicon. Thanks for a great icon set @elevateicon, I will definitely be sharing them here! Great job on the simple yet highly effective icons. They work well on black and grey for a modern feel, and they're also great for any colour contrast situations. Brilliance weather is a quality icon set from @ElevateIcon. I think this set is worth using. It really adds to any project. The icons are very simple and easy to integrate into any design. I really appreciate the way

### What's New in the Brilliance Weather?

# Features - Size-Affected Icons - Made in Photoshop - Pixel Perfect - 8.7Mb - Scalable Vector Graphics - Released under Creative Commons Zero license. Use in apps, themes, web-site.
